

Welcome to Rygnathia Fogg

Dear Traveler,

Welcome to the page where I talk about my debut book and also a bit about myself. This is the first edition of my dark fantasy novel, *DOMINION OF FOG & BLOOD*. I am so excited to share it with the world! After five years of painstaking sessions in various coffee shops in Chicago IL and Kenosha WI, it's finally (mostly) done!

Blurb:

Lynora Nosferon Elder-Vladim has lived a comfortable life among the higher courts of the Empire. She is her father's favorite daughter, and also the best duelist in the land. Although next in line for the throne, she has never felt quite at home among the stuffy royals and cruel aristocrats of her people. She yearns to cast off her title and find her own life, to be free of her controlling father and the never-ending tide of suitors.

But life is never simple on your own. Soon Lynora finds herself at the heart of a plot to acquire thirteen ancient magical weapons. In order to bring some semblance of peace to the dark lands of Rygnathia Fogg, she must engage in a desperate quest to locate these primordial artifacts before her father can get his bloody claws on them. Can she overcome the family of her past, as well as her own dark vampiric desires, and locate them in time?
